Tools:
Phillips screw
driver

- For the Sentra and Infiniti models, remove the instrument lower passenger panel by disconnecting the clips; remove passenger side kick panel by removing the black plastic nut. Remove the weather stripping at the kick panel by pulling it towards you, then remove the kick panel trim by pulling it away from the passenger door to disconnect the clips.
- Open the glove compartment.
- Remove the two glove compartment striker retaining screws.
- Remove the two glove compartment retaining screws, disengage the retaining clips.

2

- For the Altima, remove the two glove compartment retaining screws, then disengage the retaining clips. Lift the glove compartment from the instrument panel, then disconnect the glove compartment lamp. Remove the four glove compartment housing retaining screws, then the housing.
- For the Murano, remove the two glove compartment retaining screws, then disengage the retaining clips and latch. Lift the glove compartment and lower panel from the instrument panel, then disconnect the glove compartment lamp.

3

- Remove the cabin air filter cover, and remove the filter element.
- Install a new micronAir® cabin air filter, ensuring the air flow marking is facing in the proper direction.
- Install the cabin air filter cover, ensuring it is properly installed.

4

- For the Altima, install the glove compartment housing and secure with the retaining screws. Position the glove compartment to the instrument panel, then install the stops. Close the glove compartment.
- For the Murano, install the glove compartment and lower panel and secure with the retaining screws, clip and latch.

This micronAir® Cabin Air Filter fits: Nissan Maxima, from model year 2004; Nissan Altima and Infiniti G35, from model year 2002; Nissan Sentra, from model year 2000; Nissan Murano and Infiniti FX35/FX45, from model year 2003.

Get in and breathe easy.

The vehicle manufacturer recommends that the filter be changed every year or 15,000 miles.
Engineered for Original Equipment Manufacturer Specifications.
